Dear Participant,

I hope this letter finds you well. I am writing to invite you to participate in the Health and Education Commission's Dementia Workshop in the city of Huntington Park. It is scheduled for Saturday, November 2, 2024 from 10 am to 12 noon. This workshop is a significant opportunity for individuals like you who are passionate about enhancing the community's understanding of Alzheimer's and Dementia and its impact on our society.

The workshop will be held at Salt Lake Park in the "Lounge" room. The event will include a powerpoint presentation, along with a panel, and informational booths that will help provide resources for those who need support. The goal is to provide the community with practical knowledge of various aspects of dementia, including its causes, symptoms, caregiving techniques, and the latest research developments presented.

We believe that your participation will enrich the discussions and contribute to a meaningful learning experience for all attendees. Your unique perspective and insights will be invaluable in fostering a collaborative environment.

If you are interested in participating, to confirm your participation please use the link provided.
