City of Huntington Park, Vernon and Community Leaders Host a Drive-Thru Food Distribution

Huntington Park, CA. (Wednesday, May 20, 2020) – The City of Huntington Park, City of Vernon, Community Leaders and Businesses are hosting a Drive-Thru Food Distribution. The food drive will take place on Thursday, May 21, at 10:30 A.M at Leonardo’s Restaurant (6611 S. Alameda St., Huntington Park) to provide groceries to those affected by the Coronavirus pandemic and will help many working families and immigrant communities.

Event officials said the drive-thru food distribution will serve approximately 2,000 families and distribute more than 10,000 pounds of food. Over 30 community leaders, volunteers, organizations, and businesses have come together to make this event possible.

City of Huntington Park Vice Mayor Graciela Ortiz said, “It has been amazing to witness two cities come together with community leaders and businesses in order to provide resources to families who need it the most. This is a true illustration that when we work together, we can make a positive impact in our communities.”

City of Vernon Vice Mayor Melissa Ybarra said, “It’s great to collaborate and be part of this community event as it truly shows the commitment that we have in uniting our Southeast Cities and collaborating with businesses and community leaders.”

We encourage everyone participating to wear a mask and practice social distancing.
